Quality is superb, deffinity worth the high price to get a more pure product which makes it more cost effective. best stuff ive seen in awhile. its the real deal too non of that fent bullshit. just snorted a small bump and my pain is greatly reduced. thanks alot gotsital ill be back!	2d 14h old 5 of 5
Cobia orders spent vendors 10+ \$100+ 10+	<i>review for: HIGH QUALITY #4 HEROIN ALL ROCK DIRECTLY FROM KEY</i> qty: 2 price: \$1+ As others have made abundantly clear, gotsital is an all around stand up guy. He has AMAZING products at more than reasonable prices and his customer support is some of the best I have ever encountered, I was missing some product, and he was just helpful and respectful the entire time, without the typical defensive anger most vendors would display any time there is any mention that product is missing. Through our discussions I was able to figure out what exactly went wrong (Sketchy asshole junky FOAF), and gotsital was sympathetic and supportive thorough the whole process, even trying figure out how to help me to avoid withdrawal. TL;DR: Product 7/5 Awesome Dope (Best domestic stuff I've seen in a while) Customer Suppoprt/Attitude: 10/5 Just amazing. Shipping 6/5 Ordered Express Friday at 4pm. Order arrived Monday at 10am. Stealth 5/5 Nothing lacking here, sealed to be smell/detection proof, wrapped to look like standard mail.	3d 18h old 5 of 5
alias hidden stats: (hidden)	<i>review for: HIGH QUALITY #4 HEROIN ALL ROCK DIRECTLY FROM KEY</i> horrible shipping time! but decent product and it was heavy. despite the b.s shitty shipping i will give 5/5 i feel it is a 5/5	1m 7d old 5 of 5
alias hidden stats: (hidden)	<i>review for: HIGH QUALITY #4 HEROIN ALL ROCK DIRECTLY FROM KEY</i> leaving a 5/5 cuz GIA has never done me wrong so i dont want 1 hick up to reflect his legitimacy because he is the man but my last order was a bit weak for GIA's reputation, had to snort almost triple the amount of this new stuff to get where i was with the old. the product wasnt all rocks like stated(half powder half small rock)vendor didnt even address the fact that i was unhappy with my order but w.e this isnt walmart i guess. Either way GIA always come through and even when the product isnt his best its still probly top 2 of anything else on SR	1m 4d old 5 of 5

10+ B100+ 10+	with it for the most accurate strength rating, but a very small shot cut through the fog admirably, dissolved completely in cool water, weight was on point or maybe 50mg. over, and delivery was speedy - what more could you ask, aside from quantity discounts? Thanks and praises be upon you!
